D. Vice President of Recruitment: (Joe Slusher)

- I had a meeting with all of the recruitment chairs last tuesday to go over the rules and guidelines for recruitment. There was a request to change the bid handout day to february 14th and to have names in by february 10th. This was brought up with the concern of getting new member ed done by spring break and to just in general give more time to do ceremonies and what not done. With this open bidding will start after the 14th so in reality there isn't much change, I would encourage chapters to still hold recruitment events if they wish and to continue recruiting throughout the semester.
